

Mia's Face Painting Workshop

Mia offers you various workshops to suit your level. From beginners who want to learn basic techniques to intermediate who want to be stunning, professional face painters; she will teach you, carefully, step-by-step, to develop great skills and improve your creativity. Something you can never learn from books or the Internet.

- *FUNtastic Face Painting*

Suitable for: Beginner

Let's have fun with face painting! You will develop basic face painting skills in this workshop. Learn the basics of face painting, application, equipment, safety, brush strokes, and how to paint popular small designs on the cheeks.

This workshop includes 12 color face paint palette that you can take home.

- *Be creative! Workshop*

Suitable for: Intermediate

This workshop helps you to improve your creativity. You will learn how to pull your imagination out and shape it into dramatic designs. Analyze your designs and techniques by painting a real model, and figure out what you need to create something new.

- *1 Day Workshop*

Suitable for: Beginner/Intermediate

You will learn basic face painting skills and techniques: application, equipment, safety, brush strokes, sponge work, and how to paint some popular designs.

This workshop includes a face painting guide that you can take home.

- *2 Day Weekend Workshop*

Suitable for: Beginner/Intermediate

This workshop is the whole package! You will learn a little bit of everything in 2 days, from the basic information to painting easy full face designs. Learn the basics of face paint application, equipment, safety, brush strokes, sponge work, and how to paint beautiful designs.

This workshop includes a face painting guide that you can take home.

- *Workshop for Busy People*

Suitable for: Beginner/Intermediate

Even you are busy, you can learn face painting. This workshop is only 2 hours a day, you will have 4 classes whenever you have time. You will learn the basics of face paint application, equipment, safety, brush strokes, sponge work, and how to paint small designs to full face designs.

This workshop includes a face painting guide that you can take home.

- *B.Y.O.W! (Build Your Own Workshop)*

Suitable for: Beginner/Intermediate

You are the planner! You can build your own workshop and focus on what you would like to learn. You will learn the basics of face paint application, equipment, safety, brush strokes, and you can add on from a variety of choices.

Mia supplies all equipments during workshops.

If you would like to have your own face paints, you can purchase them.

("FUNtastic Face Painting" includes 12 color face paint palette in the price.)

For large groups (more than 5 people), Mia offers different workshops.

Outside of Sylvan Lake, travel (35¢ per km) and accommodations will be charged.

All prices are excluding GST. Prices subject to change.
